PREMIUM FEED DIRECT FROM FARM TO YOU

November 5, 2020

A few quick facts about Jayden:

Favourite AFL Team: Collingwood
Favourite Treat: Caramello Koala
Favourite Vehicle: Club Sport
Favourite Ride: KX 250F

Meet the team at Hunter Stockfeeds

Continuing on from our initial staff introduction in the October newsletter, This months staff introduction is Jayden Phillips. Jayden commenced working with Hunter Stockfeeds approximately 6 years ago. An integral part of the team, Jayden works as a Mill Hand in the warehouse. On weekends he enjoys camping with his son and dirt bike riding in the bush.

We have successfully filled the position of Mill Hand which we advertised in Octobers Newsletter and we look forward to introducing our new staff member in Decembers newsletter.

Stay safe, keep smiling and enjoy the journey! Craig and the team at Hunter Stockfeeds

Hello to all,

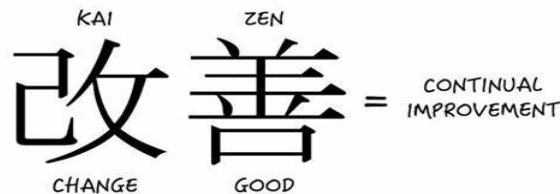

This month we've had so much happening that it was a tough decision as to what we should share in the newsletter.

One thing that really stood out was the impact a simple YouTube video had on how we approached the efficiency and productivity of Hunter Stockfeeds. I shared it with the team and as our culture is built on continuous improvement, I was inspired to share it with all of you.

It's a great little clip and makes for great discussion during toolbox meetings. **Check it out at:**
<https://www.youtube.com/watch?v=EedMmMedj3M>

KAIZEN

Kaizen is a concept referring to business activities that continuously improve all functions and involve all employees from the CEO to the assembly line workers. Kaizen is the Sino-Japanese word for "improvement". Kaizen also applies to processes, such as purchasing and logistics, that cross organizational boundaries into the supply chain.

For Hunter Stockfeeds, the discussion which followed viewing the YouTube clip has resulted in a number of small changes, which the team have implemented already, with other changes to come.

As a valued client of Hunter Stockfeeds, we welcome you to provide us with ideas that can assist our productivity and customer service. Client feedback is always important, so if you have an idea, send us an email at:
